Requests when submitting data

Various manuals and submission data templates here

Click

①Please submit your application in PDF format.

- When submitting PowerPoint data, there is a possibility that characters may be misaligned or errors may occur.

②Printing is available at a size of 900mm wide x 1,800mm high.

- The secretariat will provide the poster number (20 × 20 cm) on the panel. Please individually provide the label to its right (title, affiliation, presenter name).
- As a general rule, editing and proofreading will not be performed.
- We will enlarge and print the data you provided to 900mm x 1,800mm.
- The long side is finished at 1,800mm in consideration of visibility for the 900mm x 2,100mm bulletin board size.
- 5mm margins are automatically adjusted on each of the four sides of the rectangle.

③Please write "presentation number_name" as the file name.

- Please cooperate to prevent mixing of customer data.
- If the "presentation number" is not included, we will not be able to provide the document. Please note that this is a required field.
