## Young Investigator Award Abstract Submission

"Young Investigator Award is now open for submission. Kindly submit your abstracts through the Oral presentation category. Your abstracts will have a lot of impact and may change our current practice. We do appreciate your contribution to APHRS and we are looking forward to all your great work."

### Young Investigator Award (YIA) COMPETITION GUIDELINES

The APHRS YIA Competition will be held in one of sessions on 30 October – 01 November 2020 (final timeslot will be announced in later stage) as a virtual competition during the virtual APHRS Scientific Sessions. This competition will recognize and reward the best innovative original research by young electrophysiologists/scientists.

### Who can participate?

Young EP physicians/scientists ( $\leq 40$  years), including EP fellows and early career EP physicians/scientists (within 3 years of completion of fellowship/training) are eligible to participate.
